Chairman's letter

21 November 2019

Dear Royalco Shareholders

I am pleased to introduce the Offer by Fitzroy to acquire your Royalco Shares for 24 cents cash per Royalco Share. The Offer Price is an attractive cash price and represents an approximate 20% premium to the one month and three month VWAP of Royalco shares on the Announcement Date.

The Offer enables you to sell all your Royalco Shares without the need to pay brokerage fees or stamp duty.

Reasons to accept the Offer

Fitzroy is offering an all-cash consideration to acquire your Royalco Shares. The value and certainty of Fitzroy's all-cash Offer should be compared with the risks and uncertainties of remaining a Royalco Shareholder.

- **The Offer is a material premium to net assets:** The Offer capitalises Royalco at approximately \$12.65 million. This is a 50% premium to Royalco's net assets (\$8.41 million as at 30 June 2019);
- **Low Liquidity:** There is very low trading liquidity in Royalco Shares and the Offer allows you to sell all your Royalco Shares at a premium to recent market prices; and
- **Only Offer:** There is currently no competing offer to acquire your Royalco Shares.

How to accept the Offer

If you choose to accept the Offer you can either direct your Broker to accept for your CHESS holding, or complete and sign the enclosed Acceptance Form and return it in the reply paid envelope so that it is received before the closing date.

The Offer is scheduled to close at 7:00pm (AEDT) on 13 January 2020.

If you require additional assistance, please call me on +61 2 9048 8864.

Yours faithfully

If you wish to accept the Offer, please see section 9 of this Bidder's Statement.
- Further information** For questions about your Royalco Shares, the Offer, or how to accept the Offer please refer to the remainder of this Bidder's Statement.

Why you should accept the Offer

1. THE OFFER PRICE IS AN ATTRACTIVE CASH PRICE

The all cash consideration of 24 cents per Royalco Share is being offered to all Royalco Shareholders.

This is an approximate 20% premium to the one month and three month VWAP of Royalco Shares traded on ASX on the Announcement Date.

The Offer values Royalco at approximately \$12.65 million. This is a 50% premium to Royalco's net assets (\$8.41 million as at 30 June 2019).

2. THERE ARE RISKS ASSOCIATED WITH CONTINUING TO HOLD ROYALCO SHARES

Retaining your Royalco shareholding carries significant risk as outlined below.

(a) ROYALCO SHARES ARE VERY THINLY TRADED

Royalco Shares are very thinly traded. As at 14 November 2019, approximately 97% of Royalco's Shares were held by the top 20 Royalco Shareholders. There are only approximately 160 Royalco Shareholders in total.

The Offer represents an opportunity for all Royalco Shareholders to sell all their Royalco Shares for cash.

(b) ROYALCO SHARE PRICE MAY FALL AFTER THE CLOSE OF THE OFFER

While there are many factors influencing the market price of Royalco Shares, there is a risk that the Royalco Share price will fall after the close of the Offer.

3. THERE IS NO COMPETING OFFER

As at the date of this Bidder's Statement, the Offer is the only available offer for all Royalco Shares.

4. THERE ARE RISKS ASSOCIATED WITH BEING A MINORITY SHAREHOLDER

Depending on the level of acceptances Fitzroy receives under the Offer, the market for Royalco Shares may become even less liquid than at present. This could make it more difficult for you to sell your Royalco Shares at an attractive price in the future.

If the number of Royalco Shareholders is less than that required by the ASX Listing Rules then ASX may suspend and/or de-list Royalco. If this occurs, any remaining Royalco Shareholders will not be able to sell their Royalco Shares on-market. Consequently, there may be a reduced likelihood of a subsequent takeover bid for Royalco from parties other than Fitzroy.

After the Offer closes, if Fitzroy's Voting Power in Royalco is less than 90%, Royalco Shares may trade below the Offer Price. This scenario will only apply if Fitzroy waives the minimum acceptance Condition. If Fitzroy waives the minimum acceptance Condition it may not be able to proceed to compulsory acquisition.

If Fitzroy becomes entitled to do so, it intends to exercise its entitlement under the Corporations Act to compulsorily acquire the remaining Royalco Shares Fitzroy does not

own. If your Royalco Shares are compulsorily acquired you will be paid later than Royalco Shareholders who accept the Offer.

1. Key Questions

This Section answers some key questions that you may have about the Offer and should only be read in conjunction with the entire Bidder's Statement.

1.1. What is the Bidder's Statement?

The Bidder's Statement sets out the terms of Fitzroy's Offer and information relating to the Offer and the consideration you will receive.

1.2. What is the Offer?

Fitzroy is offering to acquire your Royalco Shares by way of an off-market takeover offer. The cash Offer is conditional. See Section 1.6.

The Offer extends to Royalco Shares on issue at 7.00pm (Sydney time) on 28 November 2019 and any Royalco Shares issued during the Offer Period.

The Offer Price is 24 cents for every Royalco Share you hold.

1.3. What are the tax consequences if I accept the Offer?

Please consult your financial, tax or other professional adviser on the tax implications of accepting the Offer. However, a general summary of the likely Australian tax consequences is set out in Section 6.

1.4. How do I accept the Offer?

CHES Holdings

If your Royalco Shares are in a CHES Holding, to accept the Offer you must either:

- (a) instruct your Controlling Participant (usually your Broker) to accept the Offer on your behalf; or
- (b) complete, sign and return the enclosed Acceptance Form in accordance with the instructions on it.

Issuer Sponsored Holdings

If your Royalco Shares are in an Issuer Sponsored Holding, to accept the Offer you must complete, sign and return the Acceptance Form in accordance with the instructions on it.

Participants

If you are a Participant (as defined in the ASX Settlement Rules) (typically, a stockbroker who is a participating organisation of ASX Settlement), the above does not apply. To accept the Offer you must initiate acceptance in accordance with the ASX Settlement Rules.

1.5. Can I accept the Offer for part of my holding?

No, you can only accept for all of your holding. Your acceptance will be treated as being for all your Royalco Shares plus any additional Royalco Shares registered as held by you at the date your acceptance is processed.

1.6. What are the Conditions to the Offer?

The Offer is subject to a number of Conditions.

The Offer is subject to a minimum acceptance Condition. This Condition requires that Fitzroy receives sufficient acceptances to increase its Relevant Interest in Royalco by the end of the Offer Period to or above 90% of the Royalco Shares then on issue.

The Offer is subject to a market fall condition. This Condition allows Fitzroy to withdraw the Offer if the S&P/ASX All Ordinaries Index closes at a level that is 10% or more below the level of that index at 5.00pm (Sydney time) on the Trading Day immediately prior to the date of the Bidder's Statement and remains at or below that level for at least two consecutive Trading Days. Fitzroy intends to waive the market fall Condition once the minimum acceptance Condition is satisfied.

The Offer is also subject to the Prescribed Occurrences Condition. "Prescribed occurrences" are certain events which, if they occur, will give Fitzroy the right not to proceed with the Offer. Some of these events include Royalco splitting or consolidating its shares, Royalco or a Subsidiary buying-back or reducing its capital, Royalco or a Subsidiary issuing securities, Royalco or a Subsidiary disposing of the whole or a substantial part of its business or property, or the occurrence of an Insolvency Event in respect of Royalco or a Subsidiary. This condition is set out in full in Section 9.7 of this Bidder's Statement.

Fitzroy may choose to waive a Condition in accordance with the Offer. If a Condition is not waived or satisfied, then the Offer will not proceed.

If Fitzroy waives the minimum acceptance Condition it may not be able to proceed to compulsory acquisition.

The Offer is not subject to any other conditions. In particular, the Offer is not subject to approval by Shareholders in general meeting.

1.7. What happens if I accept the Offer?

Once you accept the Offer in respect of all of your Royalco Shares, you will not be able to sell those Royalco Shares or otherwise deal with the Rights attaching to those Royalco Shares subject to your limited statutory rights to withdraw your acceptance in certain circumstances.

1.8. What happens if I do not accept the Offer?

Subject to what is stated below, you will remain the holder of your Royalco Shares if you do not accept the Offer.

If Fitzroy obtains a Relevant Interest in at least 90% of the Royalco Shares (by number) on issue at any time during the Offer Period and all of the Conditions are satisfied or waived, Fitzroy presently intends to proceed to compulsorily acquire your Royalco Shares if you have not accepted the Offer (see Section 4). At the conclusion of the compulsory acquisition process, you will receive 24 cents for every 1 fully paid Royalco Share which is compulsorily acquired. You will receive consideration for your Royalco Shares sooner if you accept the Offer.

If Fitzroy obtains an interest in less than 90% of Royalco Shares, Fitzroy will not be able to proceed to compulsorily acquire your Royalco Shares. Fitzroy's intentions if it has an interest in less than 90% of Royalco Shares are described in Section 4.

1.9. Can I withdraw my acceptance?

Under the terms of the Offer, you cannot withdraw your acceptance unless a withdrawal right arises under the Corporations Act. Such a withdrawal right will arise if, after you accept the Offer, Fitzroy varies the Offer in a way that postpones for more than 1 month the time when Fitzroy has to pay you under the Offer.

1.10. When does the Offer close?

The Offer is currently scheduled to close at 7:00 pm (AEDT) on 13 January 2020, unless extended or withdrawn.

1.11. Can Fitzroy extend the Offer Period?

Yes, the Offer can be extended by Fitzroy or otherwise in accordance with the Corporations Act. You will be sent written notice of any extension, as required by the Corporations Act.

1.12. If I accept the Offer, when will I receive the cash consideration?

If you accept this Offer, Fitzroy will, in the usual course, pay to you the cash consideration to which you are entitled on or before the earlier of:

- (a) the day 1 month after you accept this Offer or, if this Offer is subject to a Condition when accepted, 1 month after the contract resulting from your acceptance of the Offer becomes unconditional; and
- (b) the day 21 days after the end of the Offer Period, provided that the Offer has become unconditional.

Full details of when you will be paid cash consideration are set out in Section 9.6.

1.13. Will I need to pay brokerage or stamp duty if I accept the Offer?

You will not pay any stamp duty on accepting the Offer. If your Royalco Shares are registered in an Issuer Sponsored Holding in your name and you deliver them directly to Fitzroy, you will not incur any brokerage connected with you accepting the Offer.

If your Royalco Shares are in a CHESS Holding or you hold your Royalco Shares through a bank, custodian or other nominee, you should ask your Controlling Participant (usually, your Broker or the bank, custodian or other nominee) whether it will charge any transaction fees or service charges connected with you accepting the Offer.

- (c) Fitzroy intends to remove Mr David Croll as a director.
- (d) Fitzroy intends to undertake the Review.
- (e) Subject to the outcome of the Review, Fitzroy expects to continue to operate the Royalco business in substantially the same manner as it is presently operated by Royalco.

4.4. Fitzroy's intentions upon controlling more than 50% but less than 90% of Royalco Shares

If, by virtue of acceptance of the Offer, Fitzroy acquires a Relevant Interest in Royalco of more than 50% but less than 90%, Royalco will become a Controlled Entity of Fitzroy and its current intentions are as set out below.

- (a) Fitzroy intends to undertake the Review.
- (b) Fitzroy intends to make no changes to the board of directors of Royalco.

- (c) Fitzroy may seek to remove Royalco from the Official List of ASX.
- (d) Fitzroy may, at some later time, acquire further Royalco Shares in a manner consistent with the Corporations Act.
- (e) If Fitzroy becomes entitled at some later time to exercise general compulsory acquisition rights under Part 6A.2 of the Corporations Act, it may exercise those rights.
- (f) Fitzroy intends to undertake the activities referred to in Section 4.6 to the extent permitted by its control of Royalco.

This scenario will only apply if Fitzroy waives the minimum acceptance condition. If Fitzroy waives the minimum acceptance condition it may not be able to proceed to compulsory acquisition.

4.5. Fitzroy's intentions upon controlling 50% or less of Royalco Shares

If Fitzroy does not achieve a Relevant Interest in more than 50% of Royalco, to the extent possible through its non-controlling holding of Royalco Shares, Fitzroy will endeavour to give effect to the intentions set out in Section 4.4. However, Fitzroy considers that its ability to effect the intentions set out in Section 4.4 will be significantly limited if Fitzroy is unable to achieve a Relevant Interest in Royalco of more than 50%.

Fitzroy may consider acquiring additional Royalco Shares under the "creep" provisions of Item 9 in section 611 of the Corporations Act (which provides that Fitzroy and its Associates may acquire up to 3% of Royalco Shares every 6 months) until it achieves a majority Voting Power. Fitzroy has not yet decided whether it will acquire further Royalco Shares as this will depend upon the extent to which Fitzroy has the capacity to acquire further Royalco Shares and market conditions at that time.

4.6. Intentions generally

Except for the changes and intentions set out in this Section 4, Fitzroy intends, based on the information presently known to it:

- (a) to continue the Royalco business; and
- (b) not to make any major changes to the business of Royalco; and
- (c) not to make any changes to the employment terms of Royalco's employees.

4.7. Limitations on intentions

The intentions and statements of future conduct set out in this Section 4 must be read as being subject to:

- (a) the law (including the Corporations Act) and the Listing Rules, including in particular the requirements of the Corporations Act and the Listing Rules in relation to conflicts of interest and "related party" transactions given that, if Fitzroy gains control of Royalco but does not acquire all of the Royalco Shares, it will be treated as a related party of Royalco for these purposes;
- (b) the legal obligation of the Royalco directors at the time, including any nominees of Fitzroy, to act in good faith and in the best interests of Royalco and for proper purposes and to have regard to the interest of all Royalco Shareholders (in which regard the role of independent directors of Royalco will also be important); and

- (c) the outcome of the Review.

5. Sources of Offer consideration

5.1. Consideration under the Offer

The total amount that Fitzroy would be required to pay for Royalco Shares if Fitzroy acquires all of the Royalco Shares on issue on the date of this Bidder's Statement in which it and its Associates do not have a Relevant Interest at the Offer Price is approximately \$6.6 million.

The total cash consideration payable by Fitzroy as described in this Section 5 excludes any costs payable by Fitzroy in relation to the Offer.

5.2. Financial position of Fitzroy

Fitzroy currently has \$1.03 million of cash in its bank accounts that is either at call or on short term deposit.

In addition, Fitzroy's statement of financial position as at 30 June 2019 disclosed total assets of approximately \$11.88 million and net assets of approximately \$11.84 million.

Fitzroy's expected cash reserves, together with the debt facility (see Section 5.4 below), will be sufficient for Fitzroy to fund the total cash consideration under the Offer.

5.3. Fitzroy funding

The Offer is not subject to a financing condition.

Fitzroy estimates that the total transaction costs associated with the Offer (other than the Offer Price payable for all Royalco Shares) are not expected to exceed \$150,000.

Fitzroy intends to fund the cash consideration under the Offer using available cash reserves, a short term debt facility and the proceeds of sale of shares in entities other than Royalco that are listed on ASX.

To meet its funding obligation under the Offer, Fitzroy intends to access:

- (a) its cash reserves;
- (b) the loan facility, described below; and
- (c) cash proceeds from the future sale of such number of other ASX listed securities held by Fitzroy as may be required to meet any shortfall.

5.4. Loan facility

On 14 November 2019, Fitzroy entered into a secured loan agreement with Sir Ron Brierley (**Lender**) by which the Lender has committed to provide Fitzroy a loan facility of up to \$5,000,000 to fund the Offer (**Loan Facility**).

The material terms of the Loan Facility are as follows:

- (a) the amount owing under the Loan Facility must be repaid on 14 November 2020;
- (b) Fitzroy may drawdown on the Loan Facility once the Offer is declared unconditional (other than with respect to the Prescribed Occurrences Condition);

- (c) interest accrues at 10% per annum. Fitzroy must pay the interest within 5 Business Days after the end of each month during the term of the Loan Facility;
- (d) an unremedied event of default allows the Lender to charge interest at 12% per annum. An event of default includes the non-payment of any amount due and payable under the Loan Facility and events of insolvency with respect to Fitzroy;
- (e) Fitzroy may, prepay all or any part of the principal outstanding and any interest accrued but unpaid, in whole or in part at any time, without penalty; and
- (f) Fitzroy has executed a general security deed granting the Lender a Security Interest in all of its present and after-acquired property to secure the performance of Fitzroy's obligations under the Loan Facility.

6. Tax considerations

6.1. General

The following is a summary of the principal Australian tax consequences generally applicable to Royalco Shareholders who dispose of their Royalco Shares under the Offer for cash consideration. These consequences will depend on the individual circumstances of Royalco Shareholders. You should make your own inquiries and seek independent professional advice on your circumstances.

The comments set out below are relevant only to those Royalco Shareholders who hold their Royalco Shares as capital assets for the purpose of investment and who do not (or would not) hold those Royalco Shares in connection with the conduct of a business. Certain Royalco Shareholders (such as those engaged in a business of trading or investment, those who acquired their Royalco Shares for the purpose of resale at a profit or those which are banks, insurance companies, tax exempt organisations, superannuation funds or persons who acquired their Royalco Shares in the course of their employment with Royalco) will or may be subject to special or different tax consequences specific to their circumstances.

The following outline is based upon Australian taxation law and practice in effect as at the date of this Bidder's Statement. It is not intended to be an authoritative or complete statement or analysis of the taxation laws applicable to the particular circumstances of every Royalco Shareholder. Royalco Shareholders should seek independent professional advice regarding the taxation consequences of disposing of Royalco Shares in the light of their own particular circumstances.

6.2. Australian resident Royalco Shareholders

If you accept the Offer, you will be treated as having disposed of your Royalco Shares. If you held them on capital account and you dispose of them, such a disposal is likely to constitute a CGT event for CGT purposes. Australian resident Royalco Shareholders may make a capital gain or capital loss on the disposal of a Royalco Share under the Offer.

In general, the capital gain or loss on the disposal of a Royalco Share under the Offer is the difference between the value of the capital proceeds (i.e. the cash consideration received from Fitzroy) and the cost base of the Royalco Share. The cost base of Royalco Shares is generally their cost of acquisition or deemed cost of acquisition. Certain other amounts associated with acquisition and disposal, such as brokerage or stamp duty, may be added to the cost base.

Capital gains and capital losses of a taxpayer in a year of income are aggregated to determine whether there is a net capital gain. Capital gains made during an income year are reduced by any capital losses made during that same income year. This may be

reduced further by capital losses carried forward from prior years, subject to the loss recoupment rules applicable for the relevant shareholder. A 'CGT Discount' may be available to reduce further the taxable gain for certain Royalco Shareholders (see further below). The remaining net capital gain is included as assessable income in your income tax return and is subject to income tax at your marginal tax rate in the year in which you dispose of the Royalco Shares. A net capital loss may be carried forward to be offset against future capital gains (not against other income for income tax purposes).

A Royalco Shareholder who is an individual, complying superannuation entity or trustee of a trust may be eligible for a 'CGT Discount' if they acquired (or are deemed to have acquired) their Royalco Shares at least 12 months before the time they accept the Offer (excluding both the date of acquisition and disposal). The CGT Discount is not available to companies, nor does it apply to Royalco Shares owned (or deemed to be owned) for less than the relevant 12 month period, or shares that are not held on capital account.

6.3. Non-resident Royalco Shareholders

Royalco Shareholders who are not resident in Australia for tax purposes should also consider the tax consequences under the laws of their country of residence, as well as under Australian law. In Australia, the CGT rules only apply to non-residents of Australia in relation to 'taxable Australian property'. Royalco Shares held by a Royalco Shareholder who is not an Australian resident for tax purposes will be taxable Australian property only if the Royalco Shares:

- (a) are an indirect Australian real property interest; or
- (b) were used at any time by the Royalco Shareholder in carrying on a business through a permanent establishment in Australia; or
- (c) were included under a CGT deferral election when the Royalco Shareholder ceased to be an Australian resident.

Royalco Shares will generally not constitute an indirect Australian real property interest unless the total market value of Australian real property assets is more than 50% of the total market value of Royalco's assets and the shareholding represents at least 10% (including Associate interests) of either the total shares or voting right or distribution rights.

To the extent that a capital gain is realised on the sale of Royalco shares by a non-resident investor, no CGT discount is available for gains generated after 8 May 2012, however some apportionment may be available if the shares were originally acquired before this date.

6.4. Stamp duty and GST

Any stamp duty payable pursuant to the Offer will be the liability of Fitzroy and will be paid by Fitzroy. Royalco Shareholders may be charged GST on costs (such as advisor fees) that relate to their acceptance of the Offer. Royalco Shareholders may be entitled to input tax credits for such costs, but should seek independent advice in relation to their individual circumstances.

8. Other material information

8.1. No collateral benefits

Neither Fitzroy nor any of its Associates has, during the period of four months ending on the day immediately before the date of the Offer, given, or offered or agreed to give, a benefit to another person likely to induce the other person, or an Associate, to:

which benefit was not offered to all Royalco Shareholders under the Offer.

8.7. Date for determining holders of Royalco Shares

For the purposes of section 633 of the Corporations Act, the date for determining the people to whom information is to be sent under items 6 and 12 of section 633(1) is 28 November 2019.

8.8. Potential for waiver of Conditions

The Offer is subject only to the Conditions set out in Section 9.7. Under the terms of the Offer and the Corporations Act, any or all of those Conditions may be waived by Fitzroy.

If an event occurs which results (or would result) in the non-fulfilment of a Condition, Fitzroy might not make a decision as to whether it will either rely on that non-fulfilment, or instead waive the Condition, until the date for giving notice as to the status of the Conditions under section 630(3) of the Corporations Act.

If Fitzroy decides that it will waive a Condition, it will announce that decision to ASX in accordance with section 650F of the Corporations Act. If the Conditions are not fulfilled, and Fitzroy decides to rely on the non-fulfilment, then any contract resulting from acceptance of the Offer will become void at (or, in some cases, shortly after) the end of the Offer Period, and the relevant Royalco Shares will be returned to the holder.

If Fitzroy waives the minimum acceptance condition it may not be able to proceed to compulsory acquisition.

8.9. Status and effect of the Conditions

As at the date of this Bidder's Statement, Fitzroy is not aware of any events or circumstances which would result in the non-fulfilment of any of the Conditions in Section 9.7.

- (c) The Conditions do not prevent a contract to sell your Royalco Shares resulting from your acceptance of this Offer but:
- (i) breach of a Condition entitles Fitzroy to rescind that contract by notice to you; and
 - (ii) non-fulfilment of a Condition at the end of the Offer Period will have the consequences set out in this Section 9.7.
- (d) Where an event occurs that would mean at the time the event occurs a Condition to which this Offer or the contract resulting from your acceptance of this Offer is then subject would not be fulfilled, each paragraph of the Condition in Section 9.7 affected by that event becomes two separate Conditions on identical terms except that:
